

## Promoting Financial Growth in Brazil

Success Story

### Business Challenge

Grow and support Brazil's financial and capital markets by representing 300+ banks and financial services providers.

### Solution

Unisys ClearPath Forward® systems in three data centers and services associated with the mission-critical banking application; Dell EMC high-end storage.

### Results and Benefits

- Ensured the security and compliance required for managing digital custody and buy/sell transactions of public bonds
- Enhanced customer service by introducing new and optimized research related to financial statistics and markets
- Achieved greater flexibility to execute initiatives that promote financial education and professional qualifications
- Reduced support costs

*“ANBIMA is the premier partner of the Federal Government Central Bank for the operation of the SELIC system to securely handle custody of Brazilian Public Bonds. Unisys gives us the secure, reliable infrastructure needed to cost-effectively optimize these services.”*
