

## Educating Students Through a Dynamic and Supportive Learning Environment

### **The Business Challenge.**

Provide quality, affordable, and accessible educational opportunities for 20,000+ students in Florida and Alabama through a variety of delivery methods.

### **The Solution.**

Unisys ClearPath Forward® systems and services including inbuilt security, Dell EMC storage, DSI backup, disaster recovery.

### **Results and Benefits.**

- Increased access to instructional programs and services
- Reduced operational costs
- Reduced risk to student information via enhanced infrastructure security across systems and platforms
- Enhanced employee efficiency with faster access to tools and technologies

“Unisys has been our technology partner for more than 40 years. The ClearPath Forward platform has transformed with us, and Unisys has provided the knowledge, training, and services to our staff that enable us to provide a better experience for both our employees and students.”

**Erin Hernandez**  
**Director of Systems Support**  
**Pensacola State College**
