

Facilitating the Secure Exchange of Tax Information Between Tax Authorities All over the World

The Business Challenge.

Build and operate a solution for exchanging tax information between tax authorities in a secure and standardized way all over the world.

The Solution.

The Common Transmission System (CTS) and related CTS Services were implemented by Unisys, based on OECD requirements (functional & non-functional).

CTS Services are operated on a daily basis through the CTS Helpdesk reachable by any tax authority enrolled in CTS 24 hours/7 days.

Results and Benefits.

- Achieved highly secure bilateral exchanges of tax information through scalable CTS services
- Enabled 102 jurisdictions to start exchanging information under the Common Reporting Standard
