

Protecting Citizens Against Threats and Dangers

Success Story

Business Challenge

Enable the Swiss Armed Forces to embrace digitization over the next few years to effectively address threats to the modern battlefield.

Solution

Consulting services related to Cloud & Infrastructure Services, and Application Services - including data center and hybrid cloud services, complex system integration services, software development for dedicated applications and project management services.

Results and Benefits

Achieved successful collaboration in the architecture and design of the new, highly automated data center for the Swiss Army
