

Delivering Innovative Services to Financial Services Institutions

The Business Challenge.

Maintain accurate, timely and secure processing of a declining payment option.

The Solution.

Unisys BPO Payment Services – outsourced check processing.

Results and Benefits.

- Achieved no disruption in service during transition from the incumbent service provider
- Improved the timeliness and security of clearing and processing customers' checks
- Gained commercial predictability for 4½ years
- Met stringent regulatory and information security requirements

“With increasing demands for consistent, predictable and secure services, we needed a solution that provided a high level of customer service and security controls that met internal and regulatory requirements for the delivery of our payment processing services. Unisys has proven to be a trusted partner to help us execute this mission-critical process while ensuring superior continuity of service and cost optimization.”
