

Making Payments More Convenient, Secure and Timely for Banking Customers

The Business Challenge.

Expand market share in and beyond China and Hong Kong especially in the area of wealth management.

The Solution.

Unisys Application Services, including Enterprise Payments and an electronic signature solution integrated with the check clearing, teller system and wealth management application.

Results and Benefits.

- Increased customer satisfaction and credibility through more timely completion of payment transactions
- Improved the timeliness and the security of clearing of customers' checks to payees
- Reduced branch operating costs and improved efficiency through integration of check scanning devices
- Improved the convenience and security of transactions through electronic signatures

“Unisys has been serving us for almost two decades. They are a reliable, trusted partner that has enabled the bank to evolve and remain competitive in providing secure payment services to customers in China, Hong Kong and beyond.”
