

Delivering Innovative Banking Services

The Business Challenge.

Maintain market leadership as one of the largest local banks in East Asia.

The Solution.

Unisys Application Services, including Enterprise Payments, Infolmage® for enterprise content management, and an electronic signature solution integrated with the check clearing, teller system and wealth management application.

Results and Benefits.

- Increased customer satisfaction and credibility through more timely completion of payment transactions and use of document imaging
- Improved the timeliness and the security of clearing of customers' checks to payees
- Improved the convenience and security of transactions through electronic signatures

“Unisys has been our partner for 20+ years, enabling the bank to stay in the forefront by providing innovative services to our customers. Most recently we've implemented self-service branches with no staff and paperless transactions, providing fast, secure, accurate service at lower cost.”
