

Delivering Reliable and Innovative Financing Services to Dealers and Their Customers

Success Story

Business Challenge

Grow their multi-billion dollar lending business supporting millions of loan customers by providing competitive financing options for the 12,000 dealer network.

Solution

Unisys ClearPath Forward® systems, storage and implementation, retainer consulting and engineering, and 24/7 maintenance and support services.

Results and Benefits

- Enabled organic and acquisition growth by providing increased performance and headroom to support the increased business volume of loans and processing requirements to meet customers' service needs
- Ensured competitive response time during lending searches
