

Connecting People Around the World

Success Story

Business Challenge

Maintain and grow market position as one of the largest airlines in the world.

Solution

Unisys ClearPath Forward® systems and services; Application Services, including Unisys Cargo Solutions; Dell EMC storage services.

Results and Benefits

- Enhanced customer service through secure, reliable and highly-available cargo handling and reporting services
- Gained operational efficiencies via improved system performance
- Reduced support costs

“We strive to deliver the highest standards of safety and reliability on the ground and in the air. Unisys’ secure and flexible ClearPath Forward systems enable us to improve customer experience, optimize operations, and reduce costs.”
