

Enabling the Best Shopping Experience for Customers

Success Story

Business Challenge

Maintain and grow market position as one of Latin America's largest food retail and distribution groups.

Solution

Unisys Application Services to manage the electronic invoicing process for 800 stores; Cloud & Infrastructure Services, including hosting and site backup services delivered as a software-as-a-service model, and 2nd/3rd level support services.

Results and Benefits

- Created an excellent customer experience by providing highly available and secure support services to employees
- Achieved high employee satisfaction levels by reducing the time taken to resolve invoicing issues
- Reduced capital investment costs
- Gained the ability to comply with dynamic tax requirements and financial regulations

“We are dedicated to respecting our customers’ power of choice while ensuring that they have the best purchasing experience. We rely on Unisys’ secure, reliable services to continually improve customer experience and grow our business in a sustainable manner.”
