

## Preparing Every Student to Thrive in a Global Society

Success Story

### Business Challenge

Create safe, dynamic and relevant learning environments that inspire critical thinking, problem solving and innovation.

### Solution

Unisys Cloud & Infrastructure Solutions and Cybersecurity Solutions, including U-Pass™, a rapid COVID-19 Testing and Digital Health Passport solution; end-to-end support.

### Results and Benefits

- Tested ~2,500 student athletes and coaches per week across 11 traditional high schools for a total of ~20,000 individual tests from mid-March to mid-June 2021
- Created a safe and healthy environment for youth sporting competitions
- Enabled secure, instant credential sharing and verification that can be decoupled and integrated with almost any application or health pass technology
- Gained compliance to help meet regulatory standards and government funding requirements

*“Unisys U-Pass and Inspire Diagnostics have enabled us to resume normalcy because students and their parents feel safe knowing entire sports teams, students and teachers are tested regularly.”*
