

## Staying in the Game Through Weekly Testing

Success Story

### Business Challenge

Provide safe and secure facilities to promote high levels of student achievement.

### Solution

Unisys Cloud & Infrastructure Solutions and Cybersecurity Solutions, including U-Pass™, a rapid COVID-19 Testing and Digital Health Passport solution; end-to-end support.

### Results and Benefits

- Tested 3,000+ student athletes, coaches and school staff per week across 29 schools for a total of 20,000+ individual tests from March to mid-June 2021
- Created a safe and healthy environment for youth sporting competitions
- Enabled secure, instant credential sharing and verification that can be decoupled and integrated with almost any application or health pass technology
- Gained compliance to help meet regulatory standards and government funding requirements

*“Unisys U-Pass and Inspire Diagnostics came to our rescue when we faced the challenge of weekly COVID-19 testing for our school athletes. Their partnership has enabled our teams to meet the government’s testing requirements and “stay in the game” safely.”*
