CSR Projects

FY 2022-2023

a) Education and Employment

i) **Samarthanam Trust for Disabled**

Unisys proposes to donate part of its CSR fund towards **Samarthanam Trust for Disabled** , a society registered under the Mysore Societies Act, 1961.

Samarthanam Trust for Disabled was created for charitable purposes which works for the empowerment of persons with disabilities and the underserved through its diverse initiatives focused on providing quality education, accommodation, nutritious food, vocational training and placement based rehabilitation. It facilitates opportunities to enable persons with disabilities and the underserved to keep pace with the rest of the society.

The Company proposes to contribute a part of its CSR fund to Samarthanam Trust for Disabled and this fund shall be used to train visually impaired men into life skills, soft skills, digital , financial literacy and cricket coaching.

Samarthanam Trust for Disabled will be the point of contact for Unisys as a CSR partner and shall provide necessary reports to Unisys on the utilisation of funds contributed for the above-mentioned purpose.

ii) U&I Foundation

U & I is a Bangalore based NGO established in 2011, that works to empower communities through education and rehabilitative healthcare. U&I is operational in 12 cities across impacting 950 people through education and rehabilitative healthcare.

Unisys donates/contributes a part of it's CSR fund to U & I Teach Program to support part of the educations cost.

iii)Unnati Foundation

Unnati is a vocational training and social transformation program for the underprivileged youth in the age group of 18–25 years who are less educated and unemployed. The program (SUGAM) aims to train and help women entrepreneurs. Through this program, these women will develop scalable, replicable and locally impactful enterprises.

UNNATI enables inclusive growth by empowering families below poverty line.

Unisys donates/contributes a part of it's CSR fund to Unnati Foundation by sponsoring students for training course in various vocational skills.

b) Environmental Sustainability

The Forward Foundation

Water Conservation-The Forward Foundation takes up lake and river rejuvenation work not only in Bengaluru but across Karnataka. Lake rejuvenation through sustainable procedures are planned to improve the Water Table
